5 “The Spirit of Militarism”

ssion of our world revolution is to rearrange a new culture of humanity to replace the stem This conversion and re-organization of global society requires two essential estruction of the old established order, secondly, design and imposition of the new ge requires elimination of all frontier borders, nationhood and culture, sublic policy d social

en can the destroyed old system elements be replaced by the imposed system ew order.

ur world revolution is Destruction. All social strata and social formations created by must be annihilated, individual men and women must be uprooted from their nent, torn out of their native milieus, no tradition of any type shall be permitted to inct, traditional social norms must only be viewed as a disease to be eradicated, the e new order is; nothing is good so everything must be criticized and abolished, is, must be gone.

ving traditional society are “free market capitalism" in the social economic realm, n the mental political realm. The capitalist free market does not fight against the old or does democracy lead a fierce hot battle against the forces of reaction which rder, therefore our transformative work will be imposed through the unifying litaristic spirit, the negative task of destroying the old established order will be and finished only when the all the human masses are all forcibly collectivized as s under imposed mass-conformity of new order culturing.

of the old order, construction of the new order is a larger and more difficult task. We he old limbs from their ancient roots in deep layers, social norms will be lying anarchic so they must be blocked against new cultural forms and social categories ing. The general masses will have been first persuaded to join as equals in the first their own traditional society and economic culture, but then the new order must be d through people again being divided and differentiated only in accordance with the rarchical system of our imposed global monolithic new world brder.

e condemned as a fundamental misfortune caused by the wealth of capitalist he false separation between the high rulers and the oppressed exploited masses. be induce to' repudiate the concept of personal wealth and personal rights, this lso be solved only by virtue of the great guiding principle of the subordinating which superior ranks impose order on inferiors, which will bring the true le of "might is right" in the new world order:

le ~ shall rule"
